**WHAT'S MORE FUN THAN AN
ICE CREAM PARTY?**

birthday parties, off-site events, private buy-outs,
ice cream cakes & more!

ICE CREAM PARTY TIME!

As one of the few homegrown Los Angeles ice cream shops, we make small batches of organic, handcrafted ice cream daily in our little kitchen. We were born out of partners' Josh Loeb, Zoe Nathan and Shiho Yoshikawa's desire to create delicious ice cream in a nostalgic setting for friends and family to enjoy it in. Our shops are located at the Brentwood Country Mart and along Santa Monica's beachy Main Street.

We have a variety of fun options for any type of event, because who doesn't love an ice cream party? Pick from DIY ice cream sundae party packs and cakes for smaller gatherings and a fully-staffed ice cream cart or vintage cooler for outdoor events, plus more!

OFF-SITE EVENTS

Searching for a fun and interactive sundae bar for your wedding, birthday, family reunion or office party? Look no further! We can bring the ice cream party to you, staffed by our awesome team.

For gatherings of 100 guests or fewer, our vintage tabletop cooler is the perfect set-up for indoor and outdoor events. For outdoor parties larger than 100 people, we recommend our rolling ice cream cart.

\$8 per person gets you 4 ice cream flavors and our organic rainbow sprinkles.

\$11 per person includes 4 ice cream flavors, rainbow sprinkles, homemade hot fudge and two of our toppings like chocolate chips, cookie dough (vegan), gummy bears (vegan), cacao nibs, and housemade marshmallows, brownies, crispy almonds, and salty crumble.

Our staffing base rate is \$150 and transportation is \$100, both of which can increase based upon distance and size of party, so e-mail us to inquire about rates and availability.
